

Cake Templates

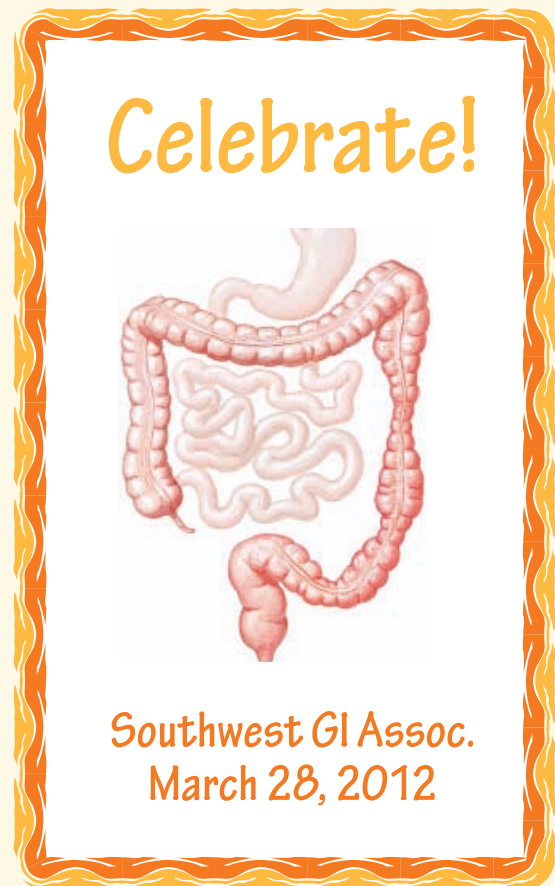

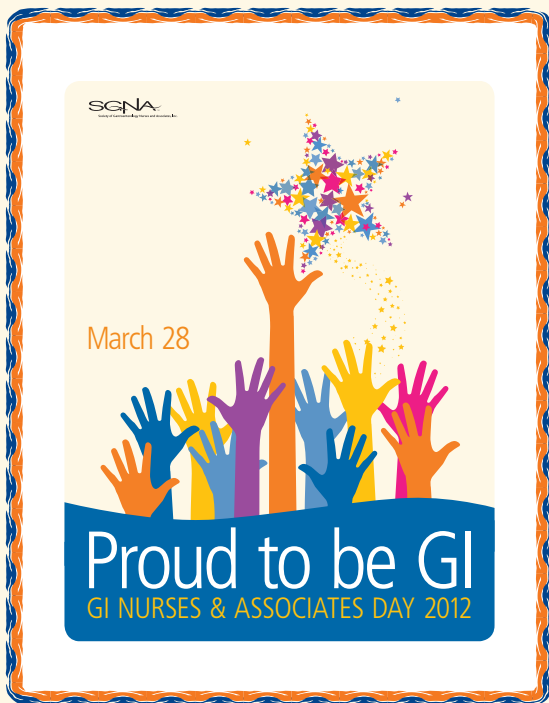

Want to add some pizzazz and fun to your GI Nurses & Associates Day celebrations? Well, look no further — COLON CAKES are back!

Take any of the templates to your local bakery to discuss the size and design of your cake. The bakery can scan the template to create an edible icing sheet with your design.

Personalize your cake by asking the bakery to include:

- Color borders
- Additional text, such as “Celebrate!” or “Congratulations!”
- “March 28, 2012,” the date of GI Nurses & Associates Day (or the date of your planned event)
- The name of the your GI facility

Here are some examples to jump-start your creativity:
