

SGNA Welcomes Dale West

It is with great pleasure and excitement that SGNA welcomes Dale West as its new Executive Director beginning August 16. Dale comes to SGNA with over 15 years of non-profit association and volunteer management experience. Most recently, Dale served as the Vice President of Member Operations for the Association for Corporate Growth (ACG). At ACG he was able to effectively achieve strategic plan goals, drive retention and growth efforts and provide superior customer service for more than 13,000 members. He promises to bring a drive and determination that will continue to move SGNA in the right direction.

On behalf of the Board of Directors, please help me in welcoming Dale West to SGNA!

Kind regards,
