SGNA supports nurses in their practice by providing up-to-date information on industry trends and evidence based practice, educational resources, and opportunities to network with nurses around the country. As an SGNA member I will have:

- Discounts on recertification with ABCGN
- Free and discounted SGNA online elearning center CEU offerings
- Discounts on live SGNA educational webinars
- A Subscription to Gastroenterology Nursing Journal
- Discounts on registration for the SGNA Annual Course
- Discounts on live SGNA events, such as Train the Trainer and Review Courses

- The opportunity to bring forward our facility's goals through holding office and voting in SGNA
- Access to SGNA *Inside Tract* for trending GI news and updates that I can share with my colleagues

As an SGNA member, I will be able to leverage these opportunities that will allow me to be more efficient and effective as an employee through access to the most comprehensive, reliable and trending GI practices and educational resources. I am seeking support for the cost of a Mid-Year Membership which is \$208 for a New Licensed Nurse.
