I am interested in joining the Society of Gastroenterology Nurses and Associates, Inc (SGNA) which is the premier GI society representing over 4,000 GI Nurses and Associates. SGNA supports technicians in their practice by providing up-to-date information on industry trends and evidence-based practice, educational resources, and opportunities to network with nurses around the world. As an SGNA member I will have:

- Free access to the SGNA Practice Guidelines and Position Statements
- Discounts on the SGNA Associates and Advanced Associates Programs for GI Techs
- Discounts on registration for the Infection Prevention Champions Program
- Free and discounted SGNA online eLearning center offerings
- Free live SGNA educational webinars
- A subscription to *Gastroenterology Nursing Journal*
- Discounts on registration for the SGNA Annual Course
- The ability to join SGNA local regions and the SGNA Communities Platform
- The opportunity to bring forward our facility's goals through participation on committees and voting in SGNA
- Access to SGNA GI Digest for trending GI news and updates that I can share with my colleagues

As an SGNA member, I will be able to leverage these opportunities that will allow me to be more efficient and effective as an employee through access to the most comprehensive, reliable and trending GI practices and educational resources. I am seeking support for the cost of an extended membership which is \$172.50 for a new Voting Associate membership. SGNA also offers group membership rates for facilities, which you can learn more about through contacting SGNA Headquarters at info@sgna.org

Thank you for considering this request and I look forward to your reply. For more information about SGNA membership, you can visit <https://www.sgna.org/Join/Become-a-Member>.

Sincerely,
