**Endoscopy for Malignant and  
Premalignant Lesions of the GI Tract**  
Sponsored by Midwest Endoscopy Group,

**Inc.,**

in collaboration with

International Digestive Cancer Alliance and WSGNA

See Eventbrite link for details.

**Target Audience**

Gastroenterologists, Oncologists, Radiologists,  
Surgeons, Advanced Prescribing Practitioners, GI  
Nurses and Technicians

**Program Overview:**

Multidisciplinary conference focusing on malignant  
and premalignant lesions of the GI tract.

**Objectives:**

Review advances in diagnosis and management of  
common premalignant and malignant lesions of the  
GI tract.

Emphasis on the multidisciplinary approach in  
management of complex GI tract lesions.

Importance of evaluations, treatment modalities,  
surveillance, and management of GI tract  
malignancies

**Course Directors & Planning**

Kulwinder Dua, M.D.

Susan Caskey

Nalini M. Guda, M.D.

Katie Muenchow

Patrick Pfau, M.D.

Due to limited space, the first 75 non-physician  
Friday night registrants of the WSGNA Fall  
Conference can attend this conference for FREE.

WSGNA endorses only the educational content of this program  
and not the presence of vendors or production.

Every attempt to present sessions as described in this brochure  
will be made. The Conference Planning Committee reserves the  
right to cancel presentations or make substitutions of  
comparable quality due to unforeseen circumstances.
